

Café Clean

The ideal solution for daily backflushing, with remarkably balanced foam and solubility for powerful cleaning and rinsing. This unique formula removes coffee oils and mineral deposits while keeping screens and filters clear. The taste of perfectly extracted espresso has never been better!

A Safe & Effective Cleaner for:

ESPRESSO MACHINES

- Portafilters
- Group heads
- Valves
- Solenoids
- Dispersion Screens

SERVING EQUIPMENT

- Airpots
- Coffee Pots
- Pitchers
- Carafes
- French Press Coffee Makers

**For heavy milk and/or scale build-up, ask us about Stera-Sheen Green Label and our Delimer for a complete solution.*

Brew Better with Clean Machines

Keep your customers coming back for the great taste of espresso brewed with the cleanest equipment. Use Café Clean as a daily backflushing regimen and an optimal rinsing solution for better coffee beverages and a longer lifespan of your equipment for years to come. Now those are grounds for celebration!

Why You Should Give Café Clean a Shot

Café Clean is safe, odorless, easy to use, and will not harm any components of your machine. It leaves no toxic residue – just clean parts and great tasting espresso and coffee beverages. Café Clean is also NSF listed and proudly made in the USA.
